MYANMARAGROTEKFOODTEK

Discover potential business opportunities in the agriculture and food processing industries of Myanmar

In over 8 years of development, Myanmar Agrotek Foodtek has grown to be the largest and most iconic agriculture and food technologies machinery exhibition in the nation of Myanmar, deeply connecting international industry players with the domestic market and helping them build stronger relationships with local businesses. This year, the show will come back to the Yangon Convention Centre (YCC) on 16-19 December with live, in-person trade shows and a series of corporate events.

With the cooperation of relevant government agencies and industry associations, the trade show will offer exhibitors a one-stop platform to present their innovative and cost-effective solutions, fully covering different sectors of the whole supply chain, including products such as harvester/fertilizer machinery, tractors, grain dryers, generators, water pumps, UAVs and many more. At the same time, a series of seminars, conferences, and networking programs will be brought to you to share industry insights and up-to-date technology, as well as provide a high-quality B2B environment.
